## NEWS FROM SOUTHSIDE

Firemen Pass Resolution of Thanks to Citizens and Merchants.

### MONEY IS WHITE ELEPHANT

Manchester Bureau, Times-Dispatch.

The Fire Department met last night to consider the question of the disposition of the money which recently came into its possession as its percentage of the carnival receipts.

The money lies in the bank and the matter of its final disposition still remains a mooted point. The question will probably be decided at the next meeting, which occurs on Saturday, October 15th.

The department made public the following resolution:

"Whereas, the recent carnival held by the Hatch-Adams Carnival Company in this city was a benefit to the firemen of this city, both in the pleasure afforded by the same and in the profit derived from it; be it resolved,

"Resolved, That we, the members of the Fire Department of the city of Manchester, do hereby extend a vote of thanks to the citizens of Manchester for their liberal patronage in helping us to make a success of the said carnival, and also to the merchants and other business men and citizens, whose contributions made that success possible."

### Sterling Captured.

News was received yesterday that John Sterling, the man who was wanted in Richmond for highway robbery and car-breaking, has been captured in Raleigh, N. C., and is being held there subject to the action of the Richmond authorities.

Sterling was last seen in this city, at the Forest Hill Park last summer, though his presence in the pleasure resort is a matter for reasonable conjecture. He is a noted criminal, and is regarded by the police as a dangerous character. Sterling is a Manchester man, and his wife, who is looked upon as a worthy woman, is at present living in Swansboro.

Mr. Ernest Neblett and Miss Alma D. Andrews were married yesterday morning at 7:30 o'clock in the home of a bride, No. 716 Stockton Street. Rev. A. B. Sharpe officiated. After the ceremony Mr. and Mrs. Neblett left for Washington. Upon their return they will make their home at No. 615 Stockton Street.

### Personal and Briefs.

An attachment has been issued for Sally Washington (colored) to appear in court to-day. She recently engaged in a hand-to-hand encounter with "Sunny" George, and neglected to appear at her trial.

Father T. E. Waters has gone to St. Louis, to visit the Exposition. Father De Muxne has moved to Manchester and taken up his abode in a large comfortable Sunday.

Mr. Morris Griffin, who has been visiting friends and relatives in Swansboro, has returned to New York.

Mrs. M. J. Moore, colored, who was arrested last night, has been released by the court.

## The Tee-Dee Money Prize.

The first prize in the Tee-Dee Money Contest was won last week by J. W. Everett, Keswick, Va., who wrote the verse below. The other prize pictures and poems will follow in regular order.

About Ben Adam—may his tribe increase—  
Awoke one morn devoid of peace,  
To find his business dull and slack,  
And all his profits gone awrack.  
He saw a vision clearly write  
A list of names in shining light  
Of those who bought and those who sold,  
And those whose every touch was gold.  
"What wasteth thou?" About inquired.  
"I write of men the most inspired,  
Whose profits rise, whose failures shrink,  
When most they use of printer's ink."  
Then About smiled, and wrote with glee  
A "T. D. Ad." and lo! you see,  
When next the vision made her quest  
'Twas About's name led all the rest.
